Costs:-

The request we made, and the donation we received from Fondation Eagle was for the amount quoted to us at the time of request in JPN Yen that converted to £34,691.00

The final cost was dependent on the £UK/JPN Yen exchange rate on the day and as the JPN Yen had eased slightly the actual amount we paid was £34,123.72.

We agreed to the exchange rate offered by Toyota Gibraltar because our bankers (CAF BANK Ltd) cannot give the exchange rates they would employ in advance.

See invoice on following page.
