

Reference 422/019: £62,049.00 received in July 2017

Further to our detailed portfolio report in December 2017, Mary's Meals is pleased to present supplementary financial information relating to the above award. Your generous donation has resulted in the construction of kitchen shelters at 10 primary schools in the Chipata district in the eastern province of Zambia. The kitchens are currently being used to support the delivery of the Mary's Meals school feeding programme.

Your funding is enabling Mary's Meals to provide a nutritious meal every school day to more than 7,000 children, giving them the chance of a brighter future.

Financial report

The table below shows the actual costs of building 10 kitchens was £64,308 against a projected budget of £62,049 as set out in the proposal document. The cost is therefore slightly over budget with the additional costs being covered by general funds received by Mary's Meals International.

	Kitchen construction (GBP)	Sponsor sign (GBP)	Fuel for construction technician (GBP)	Total
Actual costs	62,842	1,221	245	64,308
Budget	60,656	1,148	245	62,049
Actual v budget	£2,186	£73	£-	£2,259

All the kitchens constructed were of a uniform size. The kitchens include a well-ventilated cooking space and two secure storerooms. A chalkboard is included in the kitchen to further utilise as a teaching space when meals are not being prepared.

The signs used for kitchens in Zambia are all constructed from metal plates designed to withstand the elements, particularly the beating rain and sun. Given the size and composition of the signs, there can be some flexibility in the structure, although this doesn't affect the overall integrity of the product. Lettering is painted predominantly in blue, with the Fondation Eagle name picked out in red, to make it stand out and give greater recognition to the source of the donation.

Thank you

We are determined to keep our promise of a nutritious daily school meal to those children already enrolled in our school feeding programme and – as funds allow – reach out to the next hungry child waiting for Mary's Meals. We are incredibly grateful for Fondation Eagle's continued support of our life-changing work. Thank you.
